Description

Used Tony Giuliano Sorrento 24 – Sportiness, reliability and fun on Lake Garda

The **Tony Giuliano Sorrento 24** is a boat designed for those who love to experience the sea and the lake with energy and passion. Offered **used with a 12-month legal warranty of conformity**, it represents an excellent opportunity for those looking for a high-performance, reliable boat ready to give emotions from day one.

Used **exclusively in the waters of Lake Garda**, this Sorrento 24 has benefited from use in fresh water, a condition particularly appreciated by enthusiasts for its lower exposure to corrosion compared to use at sea. In addition, the boat is **serviced, checked and ready for delivery**, allowing the new owner to get on board without worries.

Sports performance and maximum fun

If your ideal day is to relax on the sofa, this is probably not the right boat for you. The **Tony Giuliano Sorrento 24** is dedicated to those who love speed, dynamic rides and the pleasure of being at the helm, offering an engaging ride and a navigation that is always satisfying.

Powering it is the proven Volvo Penta 7.4 Gi, a petrol engine known for its generous power delivery, mechanical reliability and brilliant acceleration. Combined with the Volvo Penta DuoProp stern drive, with double counter-rotating propeller, it guarantees:

- * Increased grip and traction under acceleration.
- * Fast and smooth glide.
- * Excellent stability at high speeds.
- * Precise maneuverability even in the most demanding situations.
