

SALE PRE OWNED

arno Leopard 24

480 000 € ALL TAX INCLUDED

## Description

---

This 2005 Leopard 24 is presented in excellent condition and has been regularly serviced, ensuring she is fully operational and ready for her next owner.

One of her most distinctive features is the highly desirable lower-deck layout, with the full-beam master cabin positioned amidships rather than in the bow, as found on most Leopard 24s. This configuration provides enhanced space, privacy, and onboard comfort. The lower deck also benefits from a generously sized dinette and a well-appointed galley located amidships to starboard.

As with all Leopard models, her true strengths are revealed in the expansive cockpit and the elegant main-deck saloon, offering superb areas for relaxation and entertaining. The photographs were taken onboard by our sales team and accurately showcase her excellent presentation.

Additional highlights include comfortable crew accommodation for two, a convenient manoeuvring joystick for effortless handling, and the significant advantage of European VAT fully paid status.

A well-maintained and attractively configured Leopard 24, ready for immediate cruising.

Navigation equipment:

AIS, Chain counter, Joystick, Consumption monitor.

Staging and technical:

Alternator, Water pressure pump, Shore power cable, Deck Shower, Directional Spotlight, Hydraulic Flaps (N°2), Tender Garage, Crane, Hard top, Flaps Indicators, Anchor Chain Washdown, Courtesy Lights,
