Description

This magnificent 2024 Sanlorenzo SX76 represents the perfect fusion of a flybridge and a luxury explorer yacht. It captivates with its modern lines, remarkable spaciousness and unique design focused on outdoor living. The SX76 offers exceptionally open and light-filled living spaces. Its immense aft beach club, spacious outdoor decks and inviting flybridge create the ideal environment for relaxation.

The interior, designed with Sanlorenzo's characteristic refinement, features large glazed areas offering panoramic sea views and remarkable natural light. The layout comfortably accommodates up to 8 guests in 4 luxurious cabins, complemented by a separate crew quarters for 2 people.

Powered by two 900 HP Volvo Penta IPS 1200 engines, this SX76 combines performance, cruising comfort and efficiency, with a top speed of around 22 knots and excellent manoeuvrability.
