ENGINE MANUFACTURER Caterpillar 03126	ENGINE HOURS 1750	HORSE POWER 2 X 420 HP	

Description

Nice Cayman 40 walk around with hard top.

A marine boat with generous spaces: large swim platform aft with synthetic teak cladding, hydraulic gangway in steel and teak, tuna door for access to the cockpit and large walk around for a comfortable, quick and safe passage to the bow.

The cockpit (with synthetic teak cladding), the generous helm station with double steering seat and the outdoor dinette with L-shaped sofa and wooden table are protected by a complete series of awnings (both summer and winter) mounted on a sturdy fiberglass hard top installed on a steel structure. In the outdoor dinette there is also space for a very comfortable wet bar equipped with a refrigerator, sink and gas fire.

Even below deck, the spaces and environments are comfortable: on the starboard side we find a large L-shaped dinette that can be converted into a bed and a corner kitchen with gas burners, microwave, sink and refrigerator;

on the left a first double cabin with single beds on the floor, a bathroom with shower and in the bow the master cabin with double bed.

The engine is substantial thanks to the two 425 hp Caterpillars in shaft line (equipped with trolling valves) that guarantee the hull excellent speeds (both cruising and maximum) and low fuel consumption.

Below are the most recent maintenance work carried out and the spare parts replaced in recent years:

overhaul of the Dynamica 4 kw generator, zero hull, new toilet, synthetic teak, new external refrigerator, sea water pumps, cushions, in addition to regular maintenance.

Navigation equipment:

Rudder angle indicator (sul pilota automatico), Radar Antenna, Depth Sounder (Furuno), GPS (Humminbird), Plotter with GPS antenna, Control panel (completo con leve telecomando motori meccaniche Morse), Radar (JRC LCD Radar 1000), VHF Radio (Raymarine), Co-pilot seat (poltrona di comando doppia).
