Description

Chaudron's G-Edition and SS range is led by the expertise of multiple world champion Aaron Ciantar. The hulls are oversized to withstand the extreme stresses of endurance racing and, in the past, have also been used as special boats for departments such as the Navy Seals. It offers a combination of luxury, comfort and speed, with bespoke finishes, just think of the deck that rises, to allow you to stand up in the cabin. "Undisputed" is a unique boat of its kind, reserved for experienced owners ready to have fun at sea with a real racing boat. Contact us for more details.
