## Description

---

3 cabins, 3 bathrooms, double crew cabin with bathroom

The external line of the Ferretti 630 is very sharp and aggressive thanks to an innovative single window, with a spherical shape, which reaches from the stern to the bow. From the inside, the result is 360-degree visibility over the sea and increases the feeling of depth. The inclusion of the large open-view windows in the owner's cabin is a further plus in light management, a solution that equates the Ferretti 630 with larger boats.

In the cockpit of the Ferretti 630 there are 2 fixed teak tables that can be joined with an additional table and can accommodate up to 8 people. A bar cabinet with the possibility of inserting an ice maker has been created close to the area dedicated to the kitchen, which dialogues with the outside through an up-and-over door. From the cockpit it is possible to access the crew area where there is a cabin with two beds and a private bathroom. Entering the dinette, a large U-shaped sofa with a low central table is positioned on the left, while on the opposite side there is a dining area with a table and 4 chairs and an L-shaped sofa that offers additional seating.

Going below deck, we find the VIP cabin with a double bed, a large wardrobe, two bookcases on either side of the bed and a bathroom with a separate shower and teak floor. On the right is the guest cabin with twin beds that shares the bathroom with the living area.

The owner's cabin is equipped with a large wardrobe and a large bathroom with separate shower with teak flooring. Upon entering, the feeling of space is remarkable and encouraged by the great brightness offered by the open-view windows on both sides, with portholes that can be opened to allow the cabin to be ventilated

Navigation equipment:

Rudder angle indicator, Radar Antenna, Electronic engine control, On-Board Computer, Chain counter, Display, Consumption monitor, Plotter with GPS antenna (Raymarine), Control panel, Co-pilot seat.

Staging and technical:

Fume/Gas Detector, Engine Alarm, Bilge Alarm, Water pressure pump, Shore power cable, Deck Shower, Twin Steering, Directional Spotlight, Hydraulic Flaps, Tender Crane (passerella), Fire Extinguishing System, Flaps Indicators, Anchor Chain Washdown, Washbasin in the cockpit, Courtesy Lights, Battery Monitor, Gangway (elettridraulica), Platform (poppa in teak con gavone ad apertura elettrica), Waste Water Tank Drain Pump, Automatic Bilge Pump, Manual Bilge Pump, Teak deck, Entry door, Side door, Teak Cockpit, Shorepower connector, Water harbor connector system, Electronic instrumentation repeater, Rollbar, Electric Windlass, swimming ladder, cockpit table, Horn, 2 Stern Winches, Bow Winches.
