## Description

---

Dalla Pietà DP 58 HT is an open hard-top of great charm, kept in impeccable condition thanks to careful management and numerous works carried out in recent years.

Powered by 2 x 1100 hp MAN V10 (about 1,200 hours axle line), it offers high-performance and reliable navigation, with a cruising speed of 27 knots and a maximum speed of 36 knots.

The outdoor spaces are designed for maximum comfort, with a large equipped cockpit, a complete outdoor galley and generous sundecks at the bow and stern. The interior offers 3 double cabins + 3 bathrooms, as well as a fourth cabin with independent access, ideal for crew or guests.

Numerous recent upgrades, including a new watermaker (2023), zero hull and renewed teak, make it ready to the buoy and without work to be carried out.

An excellent opportunity for those looking for quality, performance and elegance in a single solution.
