Volvo Penta D11 IPS 950	780	2 X 700 HP	

Description

The design of the G 53 is distinguished by the Aerotop configuration, characterized by a large openable hard roof that allows the dinette to be quickly transformed from an enclosed and air-conditioned area to a completely open space.

The external area of the stern is characterized by the large tender garage above which there is a comfortable sundeck.

The internal dinette is accessed by two sliding doors, thus allowing this space to be closed like a flybridge; and to be guaranteed use even during the beginning and end of the season when the days are unpredictable.

Large sunbathing areas also in the bow

Boat recently put into the water. Renewed antifouling, periodic seasonal maintenance performed.

Boat every year x 8 months in the shed.

Version 3 double cabins all with bathroom.

Single cabin with en-suite crew bathroom.
