## Description

---

In 1988, the Marlin 280 (the current Marlin 300) was the first Grady with the exclusive SeaV2 hull, which offers amazing performance and true offshore fishing capability. Since that time, thanks to customer input and attention to detail, Grady-White has perfected every feature of this much-loved 30-foot walkaround cabin boat.

Inside it has a cabin with teak flooring, complete with a double V-shaped bed, kitchen with sink, fridge and microwave. Separate toilet.

The GW is equipped with engines in Yamaha packages of 300 or 350 hp.

We accept trade-ins on the purchase of new boats.
