Description

Timeless Elegance Meets Absolute Reliability: Fully Refitted Kiel Classic 23 (Like New)

Imagine riding the waves aboard an icon of the sea, smelling the salt air while the sun reflects off the warm grain of solid mahogany and the unmistakable lines of a true nautical masterpiece. If your dream is to own a piece of boating history without compromising on mechanical reliability, this is the perfect opportunity.

We offer for sale a magnificent Kiel Classic 23 (year 2007). This exclusive vintage day cruiser embodies the perfect synthesis between the vintage charm of legendary classic powerboats and modern, thrilling performance.

The boat has undergone a rigorous total refit and is delivered literally like new, "turnkey" at the buoy.

The Safety of New: Mechanics and Warranty

The real added value of this vessel lies in its beating heart and the warranties offered. Forget the fears often associated with classic boats:

Engine: Steyr Motors MO256H45. An exceptional unit, completely rebuilt by the manufacturer in 2022 with only 300 engine hours.

Transmission: Bravo 3X sterndrive, brand new (year 2025).

To let you enjoy the sea (or lake) with the absolute peace of mind of someone buying a boat fresh from the shipyard, the boat is sold with a 12-month legal warranty of conformity.

Technical Specifications and Dimensions

Length Overall (LOA): 7.75 m

Beam: 2.30 m

Capacity: 6 people (CE Category: C)

Hull Year: 2007

Onboard Comfort and Premium Equipment

The layout of the Kiel Classic 23 is designed to enhance outdoor living and offer luxurious retreats. The finishes are of the highest standard, with teak and solid mahogany interiors. The included options make the onboard experience comparable to that of larger yachts:

Bow thruster (for always perfect and stress-free mooring maneuvers)

Cabin heating

Water system with shower and hot water boiler

220V system with battery charger

Refrigerator

Chemical toilet

Complete upholstery (interior and exterior)

Sun awning and full cover (winter cover)

Ready to Sail: No Extra Work Required. The asking price already includes meticulous preparation work, making it immediately ready for the season:

Antifouling treatment and hull polishing (with repair of small scratches).

Teak sanding with a complete cycle of protective oil treatment.

Complete service of the engine and sterndrive.

Complete cleaning and sanitization of the interiors and upholstery.

Complete safety and mooring equipment, homologated for inland navigation.

This Kiel Classic is not just a boat; it's a true statement of style. Contact us today to arrange an onboard viewing and get ready to fall in love at first sight.
