## Description

---

The Bertram 28 Moppie is an iconic express cruiser built by the famous American shipyard. Recognized for its versatility, it is a robust and marine boat, ideal for both sport fishing and coastal cruising. Equipped with a classic deep-V hull, it offers stable, soft and safe sailing even in rough seas. The cockpit is one of the largest in its category, perfect for moving freely and for accommodating fishing lovers; Below deck, it offers compact and welcoming spaces, designed for practical use: there is a small cabin with berth and toilets. Finally, the two Mercruiser petrol engines, of 240 Hp each, allow a cruise of 24 knots and a maximum of around 30 knots. This 28 is one of the last Moppie built and needs only a few aesthetic works to return to being perfect. Contact us.
