HORSE POWER

2 X 435 HP

## Description

---

The owner has chosen to carry out a prior check of the state of the boat, and the documentation will be viewable during the visit on board. Unit ready for the season and immediately usable, with routine maintenance already completed: recently carried out engine servicing, hull and polishing. This Airon Marine 4300 T-Top is an ideal choice for those who want comfort, well-organized spaces and ease of handling during every outing at sea.

The configuration with 3 cabins and 2 bathrooms makes the boat particularly suitable for cruising with family or friends, ensuring welcoming and functional environments even for stays of several days. The 220V generator ensures good autonomy on board, while the joystick and bow thruster greatly facilitate maneuvers in port, making driving easier and more relaxed.

The hot/cold air conditioning system allows you to enjoy the boat comfortably at any time of the year. On board there are double refrigerators, practical for better managing the galley during longer navigations. The external cockpit, complete with table, is designed to spend pleasant convivial moments outdoors, with the protection offered by T-Tops and bimini that increase comfort and livability throughout the day

Garmin radar instrumentation offers modern and intuitive navigation support, increasing safety and convenience at sea.

Possible exchange with a smaller boat, both sailing and motor, has been evaluated.

Navigation equipment:

Electronic engine control, Chain counter (Quick CHC 1202M), Hours Counter, Depth Sounder (garmin), GPS (garmin), Joystick, Autopilot (garmin), Plotter with GPS antenna (Garmin 5012).
