Description

The Viking Marine Sanremo 34 Fly is powered by two 240hp Yanmar engines with low hours on the clock: designed for those looking for a boat that is easy to live on and use, ideal for weekends and short cruises with family or friends. The 2 cabins plus a convertible dinette with 6 berths provide practical spaces for a comfortable stay on board, whilst the flybridge enhances the living space and makes every outing more enjoyable. The bow thruster simplifies manoeuvring, and the Besenzoni gangway and platform make boarding and swimming in the harbour more convenient. A teak cockpit, outdoor shower and awning allow you to make the most of the outdoor spaces in all seasons. Garmin electronics complete with GPS plotter and autopilot (both updated in 2023).

Used Viking Marine Sanremo 34 Fly.

The information provided in this listing is not to be considered binding.
