The deep V-shaped hull with an 18° angle at the stern allows for a smooth and pleasant ride. The arrangement of the interior furnishings, made of fine cherry, gives exclusive comfort in the most refined elegance. There are two double cabins including the owner's cabin, equipped with its own bathroom and shower. The aft center area is divided into two areas: the upper cockpit where the dinette with kitchen service is located (available on request with an electrically opening Hard Top), and the aft cockpit for nautical activities.
