Description

The Swan 45-016 'Blue Sky' is one of the most successful examples built within the competitive Swan 45 one-design class. Formerly known as Swing 3 and Earlybird, this boat boasts four world titles and has always been managed with great care by the owner and a dedicated professional team, benefiting from continuous updates and maintenance.

Designed by German Frers and launched in 2003, Blue Sky combines high racing performance with excellent versatility for cruising. Over the years, the boat has undergone numerous updates and refits that have preserved its competitiveness, reliability and ease of use both in sports and for cruising programs.

The boat is equipped with a carbon Hall Spars mast and boom, carbon spinnaker poles, updated B&G electronics and an extensive North Sails and One Sails sail inventory. A major refit program carried out in 2018 involved the teak deck, instrumentation, interiors and numerous equipment dedicated to both racing and cruising.

The interior offers a three-cabin configuration with satin teak finishes, a bright saloon and a functional layout designed to offer comfort during extended stays on board.

Blue Sky is currently located in Liguria and is offered with VAT paid.

Strengths

- Four-time Swan 45 World Champion
- German Frers Project
- Hall Spars carbon mast and boom
- 3-cabin layout
- Extensive North Sails and One Sails sail inventory
- New keel (2017)
- Major refit performed in 2018
- New teak deck
- Updated B&G electronics
