## Description

---

A rare market opportunity: a meticulously maintained, exceptionally well-equipped sailboat.

This 2003 Dufour Gib'Sea 43 is a true gem on the used boat market. This 13-meter yacht has been lovingly maintained by its owner and boasts an exceptional level of equipment, designed for onboard comfort and total autonomy—whether at anchor or on the high seas.

Ideal for cruising with family or friends, it offers a warm and incredibly spacious interior (sleeping up to 8 people, including the convertible saloon).

Key highlights:

Top-tier autonomy & power: Equipped with two 170W solar panels and a Victron Energy management system, a recent battery bank (2023), and an 1800W inverter powering all 220V outlets.

Recent rigging & sails: New genoa furler (2025), semi-battened mainsail (2017) with lazy bag and lazy jacks for easy handling.

Exceptional comfort: Huge fresh water capacity (800L with filtration system), fully equipped galley (gas oven, microwave, large fridge), TV, Bluetooth audio system, and a large bimini/sprayhood combo with micro-perforated side panels to make the most of the cockpit.

Engine & handling: Reliable 56 hp Yanmar engine with a new electronic control unit (2026). High-performance electric windlass with two complete anchor setups.

Ready for blue-water cruising: Full offshore safety equipment (>60 miles) including a 6-person life raft. Dinghy included, complete with a 2.3 hp 4-stroke Honda outboard and davits.

This sound, seaworthy, and perfectly maintained yacht is ready for you to bring your bags aboard and cast off. Don't miss out on this ready-to-go unit!
