## Description

---

The Uniesse 54 Sport is a hard-top yacht with a sporty and elegant character, an expression of the best Italian shipbuilding tradition. Its sleek and timeless lines tell the story of a boat born to experience the sea with style, capable of combining performance, comfort and a natural vocation for Mediterranean cruising. The outdoor spaces are one of its strengths: the hard-top offers protection and comfort to the dinette, creating a convivial area ideal for both sailing and mooring. For those who love the sun, the large bow and stern sundecks guarantee large and well-exploitable relaxation areas, perfect for enjoying outdoor life in total privacy. The interiors confirm the sober elegance typical of Uniesse, with refined, welcoming environments designed to offer a comfortable on-board experience. The layout includes a large double cabin in the bow, two twin cabins with separate beds and two comfortable bathrooms with shower. The bright and well-organized interior dinette, together with the full galley, makes the boat suitable not only for day trips, but also for multi-day cruises with family and guests. Solid, elegant and still very current in proportions and style, the Uniesse 54 Sport is a very interesting choice for those looking for a sporty open with a hard-top, large outdoor spaces and the comfort of a real cruising yacht. A boat to be seen live to fully appreciate its quality, volumes and personality. Contact us for more information or to arrange a visit on board.
