Description

With the qualities of a custom yacht, the Express 370, an express boat with a 37-foot cabin, offers more exceptional detail, ample cabin space, performance and reliability than many longer length inboard boats! You will be amazed by the multitude of standard features of this best cabin cruiser cruiser. From the AV²® hardtop with electronically sliding sunroof, huge amounts of storage space, the most comfortable seating options and a large cabin complete with galley to the convertible dinette area and enclosed bathroom, nothing was left unturned in the design of this boat. A favorite among Grady owners, the 370 is a luxury family cruiser equally suited for saltwater offshore sport fishing.
