Accessories notes:

The Grady Whites are luxury yachts with technical qualities that make them exceptionally powerful and high-performance fishing machines.

The Yamaha XTO 450 engine also includes the Full Manuverability system which, through the operation of a joystick, allows the rider to perform even the most difficult maneuvers with maximum ease.

The 456 also comes standard with the Seakeeper gyroscopic stabilizer, which thanks to the mass that rotates at very high speeds reduces pitch and roll both during navigation and during roadstead.

It is possible to draw on a wide range of Gelcoats in order to make your boat even more personal and unique and in addition you can add the Minn Kota electric system which acts as an approach propeller and as an electronic anchor.
