Description

Jeanneau Sun Odyssey 43 with sail set: Elvstrom furling mainsail, Elvstrom furling genoa, gennaker, and storm jib. A practical and comfortable cruising boat for family and friends. The 3 double cabins and 2 bathrooms make it easy to enjoy weekends and vacations, while the Webasto heater and 1000W inverter enhance onboard autonomy and comfort. Maneuvering is aided by the Side Power bow thruster and dual steering stations; while underway, the 4 Harken winches—2 of which are electric—simplify sail handling. Rounding out the package, the aft platform and bimini top make outdoor living more enjoyable, while the Delta anchor and Raymarine electronics, complete with GPS and autopilot, offer intuitive control and smoother navigation. Used Jeanneau Sun Odyssey 43.

The information provided in this listing is not to be considered contractual.

Navigation equipment:
