Description

Marlin 23 EFB in excellent condition and available for visits at the Porto Verde (GR) shipyard.

With very few hours of engine, used exclusively for one month a year and then always stored indoors – to guarantee excellent conservation. Complete with bow sunbathing cushions and stern cushions, as well as the bimini for pleasant protection from the sun. It is equipped with a drawer refrigerator, removable cockpit table, compartment designed for the installation of the toilet and fresh water autoclave system with loading nozzle. As for the deck equipment, there is a Lewmar electric windlass with stainless steel chain and 6 kg stainless steel anchor, ideal for practical and safe anchoring. The propulsion is completed by a stainless steel MerCruiser propeller, while the tubulars are in an excellent state of maintenance – always carefully cared for. The dinghy is sold including a trailer trailer, included in the price. The trolley is not currently registered with an Italian license plate. The dinghy does not have GPS as it has always been used exclusively for short trips and small trips near the house, mainly for relaxing days and swimming in the sea.
