## Description

---

The Admiral 28, built by the renowned Lavagna Shipyard, represents the perfect balance between classic style and marine reliability. With its 28 meters in length, it offers large and refined spaces both inside and outside, ideal for Mediterranean cruising. The interior configuration favors comfort and hospitality, while the sailing performance testifies to the Ligurian shipyard's experience in building robust and high-performance yachts. An excellent choice for those looking for a boat with Italian charm, perfect for experiencing the sea with class.
