Description

BENETEAU FLYER 10, built in 2019 (2020 model year), combines sportiness and comfort. A day boat offering a perfect balance between performance, spaciousness, and modern design. Powered by twin 350 hp Suzuki engines, it guarantees a dynamic sailing experience while ensuring excellent onboard comfort.

It is professionally maintained and winterized annually. It is fully equipped, including a sturdy T-top, a stainless steel towing arch, a bow thruster for easy maneuvering, radar and AIS VHF for safe navigation, and solar panels for increased energy autonomy.

The interior layout has been designed to maximize comfort and ergonomics, with a spacious living area and high-end finishes. This versatile boat is ideal for both sporty outings and cruises with family or friends.
