Description

The Beneteau Oceanis 523 was awarded Boat of the Year in 2005, and rightly so. Designed to combine luxury and performance, it is a spacious and high-performance offshore cruiser, with elegant lines, comfortable living spaces and sailing performance that satisfy both purists and sailing lovers. Well maintained and ready to go, ITALICA II has been cared for with care and love by its experienced owner and has enjoyed constant and accurate maintenance with continuous updates. It is in very difficult condition to find in a used boat. It is structurally sound, fully functional and ready for its next owner, who will be able to enjoy many more years of sailing on the open sea. An appraisal carried out in March 2026 is available.

TRADE-INS ARE EVALUATED

Boat managed with an exclusive mandate.

Commissions not included in the price
