Description

A second-hand Beneteau Oceanis 54 fitted with Hydranet furling mainsail and genoa, a self-tacking jib and a Code 0 with furling system: a modern, recent and very well-equipped cruising yacht.

An excellent alternative to a new boat for those seeking comfort, space and equipment that's ready to use. The three cabins, three bathrooms and crew cabin make it ideal for families and guests, even on the longest trips. A generator, watermaker, air conditioning and inverter enhance autonomy and comfort, whilst bow and stern thrusters, electric winches and an electric tender garage simplify handling. The cockpit, featuring electric tables that convert into sun loungers, a rigid, retractable bimini top and a canopy, ensures the outdoor areas are sheltered and comfortable. Raymarine electronics, including a chartplotter, autopilot, radar, GPS and wind sensor, provide intuitive control.

The information provided in this specification is not to be regarded as contractual.
