Description

Cranchi M44 HT, iconic profile, elegant and functional interiors, exploited to the fullest for every useful centimeter and excellent marine performance with low consumption.

The soft top ensures maximum protection for the cockpit, while offering a wide opening that transforms the Cranchi M44 HT into an authentic open if necessary.

When, on the other hand, you want to be more sheltered, the good insulation of the roof creates a closed and warm environment, the top covers the dinette which has the dashboard forward, while on the left is the kitchen cabinet and the chaise longue.

The interiors of the M44 HT are elegant with a contemporary, functional and beautiful style, the rooms are well organized and the volumes exploited to the fullest.
