Description

This 2013 Sanlorenzo SL82 is one of the latest and most sought-after versions of this iconic model from the renowned Italian shipyard. Benefiting from meticulous maintenance and a major refit completed in 2025, she is presented in excellent condition, with fewer than 2,000 engine hours on her twin Caterpillar C32 engines, each delivering 1,725 HP.

At nearly 24 metres in length, she reaches a top speed of 28 knots and cruises comfortably at 24 knots, while offering an impressive range of approximately 1,000 nautical miles at economical speed. Zero Speed stabilizers ensure outstanding comfort both underway and at anchor. Her exterior spaces are designed for enjoying life on the water, featuring a spacious flybridge, generous foredeck sunpads, and a welcoming alfresco dining area. Inside, the bright and elegant interior accommodates up to 10 guests in four ensuite cabins, including a full-beam owner's suite. A refined, high-performance yacht that is ready to cruise, offering the perfect balance of comfort, Italian style, and reliability.
