ferretti yachts Ferretti 1000

Description

Introducing the extraordinary M/Y EPIC – Ferretti Yachts 1000, a pinnacle of luxury and innovation in yachting. This 30.13-meter vessel, built in 2021 by Ferretti, showcases unparalleled design solutions and offers two distinct interior moods. Designed by Piero Ferrari and Filippo Salvetti, its GRP hull and planing configuration ensure smooth sailing, complemented by a flybridge for expansive views and an innovative aft beach area for seamless indoor-outdoor living. Accommodating up to 10 guests in 5 cabins (including 3 doubles, 2 twins, and 2 convertible cabins), EPIC promises ultimate comfort and privacy. Italian craftsmanship shines through in its polished interiors, blending clean lines with refined materials. Onboard, guests indulge in amenities such as air conditioning, stabilizers, and WiFi, ensuring a luxurious and comfortable voyage. Powered by twin MTU 16V 2000 M96L engines delivering 2638 mhp, EPIC cruises effortlessly at 20 knots, with a fuel consumption of 800 liters per hour. Whether relaxing in the Queen and Double beds or enjoying the versatility of the Convertible cabins, EPIC offers a yacht experience that embodies the essence of "Just Like Home" comfort and Italian excellence, making every journey a testament to luxury living on the water.
