Description

It is not simply a yacht. It's a new idea of navigation.

The Sirena 58 redefines the concept of modern cruising thanks to a perfect balance between elegance, innovation and autonomy. Each room is designed to offer maximum comfort during long voyages, while the large interior volumes, large glass surfaces and generous flybridge give a feeling of space normally reserved for higher category yachts.

EXCELLENT GENERAL CONDITIONS, FOR INFORMATION: STEFANO CUGUSI +39 348 9008495

SIRENA 58

Year of construction: 2023

SHIPYARD: Sirena Marine

MODEL: Sirena 58

TYPE :Explorer Yacht Flybridge

LOA 18.58 m (58')

MOTORIZATION: 2 × Volvo Penta D11 670 HP each.

Engine hours: about 800

INTERIOR

The interior architecture of the Sirena 58 has been designed to offer refined, bright and extraordinarily spacious environments, thanks to the large glass surfaces that guarantee a panoramic view of the sea and constant natural light.

The elegance of the furnishings, the quality of the finishes and the rational distribution of space make this yacht ideal both for long cruises and for family use or with guests.

LIVING AREA

Salon

Large panoramic living room with large side windows, furnished with designer sofas, TV cabinet and living area, directly connected to the internal helm station and kitchen.

The environment offers a 360° view and an extraordinary feeling of space and brightness.
