## Description

---

This 18-meter sport yacht combines Italian elegance with bold performance. Its sleek silhouette and powerful lines reflect a modern, distinctive style, while advanced composite construction with carbon and Kevlar reinforcements ensures strength, lightness, and durability. Inside, the layout is designed for both comfort and exclusivity. A spacious master cabin offers refined luxury, while a dedicated crew cabin ensures practicality on longer voyages. High-quality finishes, modern bathrooms, and large windows create a bright and welcoming atmosphere for an unforgettable stay on board.

On deck, wide sunbeds, generous lounge areas, and a walkaround design provide freedom of movement and ample space for entertaining or relaxation. The hardtop with integrated roll-bar combines functionality with style, making every detail both elegant and practical. Powered by twin Volvo Penta IPS 725 hp engines, this yacht delivers smooth cruising, responsive handling, and excellent efficiency. With 2,000 liters of fuel and 600 liters of freshwater, it offers impressive autonomy for extended trips, while accommodating up to 16 passengers in total comfort and safety.

This yacht is the perfect balance of performance, style, and exclusivity — designed for sea lovers who demand more.
