## Description

---

Discover this superb MV Marine 25 GT, a high-end RIB renowned for its build quality, exemplary seakeeping, and sporty style.

### Engine

Powered by a Suzuki 250 hp APX engine with only 6 hours of use. Serviced and installed by our shipyard.

### Comfort and Versatility

The U-shaped rear bench seat features backrests. It can seat up to 6 people at a table (optional).

This dining area can be converted into a 93 x 158 cm sun deck.

The forward sun deck can also be transformed into a dining area with an optional table.

The floor, covered with Evafoam, offers significant comfort and prevents slipping.

### Performance

The V-shaped hull of this RIB is ideal for navigating even in waves, offering excellent performance. Contact us to schedule a test drive.

Mv Marine pays attention to every detail, including rubber seals on the storage compartments to prevent unwanted noise while underway.

Protective windshield with handrails on the console and leaning post.

A very pleasant and playful boat when the captain desires, thanks to its engine.

### Safety

All Mv Marine boats feature an identification "chip" embedded within the polyester of the hull.

The Mv 25 GT is ready to sail and ideal for family outings, active days on the water, or relaxing at anchor. €90,000 + VAT
