Description

Discover the PIRELLI 47, an exceptional yacht that combines the sporty character of the PIRELLI brand with refined Italian design and innovative solutions. Available in Open or Enclosed versions, it is suited to all types of sailing whilst offering a remarkable level of comfort and versatility. The Open version impresses with its extended hardtop, which effectively protects the cockpit whilst retaining an unrivalled sense of freedom. The Enclosed version, fitted with large sliding glass panels, transforms the saloon into a truly light-filled living space, sheltered from the elements and perfectly suited to year-round use.

Thanks to its walkaround design, the PIRELLI 47 ensures smooth and safe movement between the cockpit, the gangways and the foredeck. Its spacious sun decks, social areas and modular cockpit offer exceptional comfort, allowing you to make the most of every trip out to sea. Below deck, the elegant fittings and high-end finishes reflect the full extent of Italian craftsmanship. Every detail has been carefully considered to ensure an onboard experience that is just as enjoyable whilst underway as it is at anchor.

Available to order and fully configurable, the PIRELLI 47 can be personalised to suit your preferences with a choice of engines, finishes, upholstery and equipment.

Please contact us to receive the full brochure, find out about the different configurations available or obtain a personalised quote.
