Description

Discover this magnificent SANTASEVERA 52, the first model in the range, which redefines the standards of comfort and space on board. Its glass-fronted wheelhouse opens fully onto an exceptionally wide cockpit (5.05 m), creating an outdoor living space rarely found on a yacht of this size. Thanks to the flared, rounded bow, the volumes below deck are spectacular:

- Full-beam master suite with central bed
- Direct access to an elegant bathroom with separate shower
- Separate, comfortable twin cabin aft with access to the same bathroom
- Bright lounge area between the two cabins
- Plenty of cleverly integrated storage space
- High-end finishes, warm and modern atmosphere
