Description

The Lavezzi 40 from the Fountaine Pajot shipyard, built in 2002, is a cruising catamaran renowned for its robustness, ease of use and excellent compromise between comfort and performance. Very popular with long-distance sailors and private owners alike, it offers safe and pleasant sailing with generous living spaces.

This example has been very well maintained by its owner, making it a unit ready to sail immediately. Its friendly and bright layout allows you to fully enjoy life on board, whether at anchor in the turquoise waters of the West Indies or on an offshore cruise.

The spacious, protected and convivial cockpit communicates directly with the bright saloon and the functional galley. The cabins offer a good level of comfort for sailing with family or friends.

This catamaran is available immediately and represents a great opportunity for a Caribbean cruise program.

VAT Europe, available in Martinique.
