Description

Boat for sale with SURVEY ALREADY COMPLETED. The seller has had the boat surveyed in advance, and the survey report will be available for inspection during the viewing.

A second-hand Beneteau Oceanis 41.1 with a furling jib and battened mainsail: a comfortable, modern cruising yacht that has never been used for charter, ideal for those looking for a ready-to-sail, well-equipped boat for family and friends.

The three cabins, convertible dinette and bathroom with shower provide practical space for weekends and holidays, whilst air conditioning, solar panels and an inverter enhance autonomy and comfort.

The bow thruster simplifies manoeuvring, the teak cockpit with table and built-in fridge makes outdoor living more enjoyable, and the opening stern platform facilitates access to the sea. A bimini top and canopy protect the cockpit, whilst B&G electronics with a GPS plotter and autopilot make navigation more intuitive.
