## Description

---

This well-maintained Bavaria 36 Deep Keel from 2003 presents itself as an honest and excellently maintained owner's yacht.

The ship is in the second private ownership and was used exclusively by the owner in the Baltic Sea area.

A charter operation has never taken place. All maintenance work, winter storage as well as rigging and unrigging were regularly carried out by a specialist company.

Thanks to its balanced sailing characteristics, the deep keel and the generous amount of space, the Bavaria 36 is ideal for longer trips, Weekend trips or a comfortable family holiday on the Baltic Sea.

Below deck, a bright and functional saloon awaits you with ample storage space for longer voyages.

The yacht sleeps up to 4 people + saloon.

The Bavaria 36-2 convinces with its successful combination of sailing characteristics, space and reliability.

The demonstrably well-maintained condition, the exclusive owner's use and the extensive equipment make this vessel an attractive opportunity for sailors looking for an out-of-the-box cruising yacht for the Baltic Sea and beyond.

Viewing possible by appointment.
