Description

Tananai is a 35.05 m motoryacht built in Italy by Terranova Yachts and delivered in 2008. It is the only example of the Explorer 115 model ever made. Refitted in 2020, Tananai is consistently maintained to the highest standards, with sophisticated styling curated by Barracuda Yacht Design. With its retro look inspired by the boats of the 50s and 60s, highlighted by the rounded corners and flowing lines, Tananai stands out in particular for its elegance and unique style.
