Description

When Open-Air Freedom meets Grand Touring Elegance

Designed to blur the boundaries between inside and out, the Targa 58 GTO offers an immersive connection to the sea at a level, until now reserved for much larger yachts. Conceptualised and Engineered by the In-House Fairline Design team with J&J Naval Architecture.

Innovative Indoor-Outdoor Living

A new vision for the iconic Targa styling, combining elements from much larger yachts, such as a drop-down patio door that seamlessly unites the cockpit and interior into one expansive social space. Port and starboard fold-out balconies with hammocks and directors' chairs bring guests closer to the water, while extensive glazing keeps the horizon in view from every angle. A reimagined waterside zone transforms the traditional garage into a versatile leisure space, complemented by an extending Beach Club platform for relaxing at sea.

Navigation equipment:

Rudder angle indicator, Electronic engine control, Tachometer, Display, DSC vhf, Control panel, Co-pilot seat, Engine Measuring Instruments.

Staging and technical:

Engine Alarm, Bilge Alarm, Alternator, Water pressure pump, Shore power cable, Guard rail, Safety rail, Deck Shower, Directional Spotlight, Anchor mount, Trim Tabs / Trimflaps, Tender Garage, Hard top, Fire Extinguishing System, Flaps Indicators, Courtesy Lights, Battery Monitor, Fenders, Platform, Automatic Bilge Pump, Manual Bilge Pump, Entry door, Open Cockpit, Aft Cockpit, Shorepower connector, Electric Windlass, swimming ladder, cockpit table, Horn.
