ENGINE MANUFACTURER Caterpillar Engine	ENGINE HOURS 900	HORSE POWER 2 X 435 HP	

Description

There are boats that transport and boats that give emotions. The Azimut 46 Fly unquestionably belongs to the second category: the perfect synthesis between the boldness of Italian design and the comfort of a villa by the sea.

Its taut line and iconic "shark fin" windows not only catch the eye, but flood the interior with light, offering a panoramic view of the horizon. The real star of the summer, however, is the Flybridge: suspended between sky and water, designed for relaxation and conviviality, with large sun decks and a helm station to savor the wind on your face.

In the dinette you are greeted by a luxurious and finely finished saloon, where precious woods and light leathers create a sophisticated atmosphere. The intelligent layout of the spaces offers a forward owner's suite and two cozy guest cabins, ensuring absolute privacy.

At sea it offers soft, safe and powerful sailing. The 2009 Azimut 46 Fly is not just a boat: it is a style statement, a timeless icon, to be enjoyed immediately. Ready buoy.

Navigation equipment:

Electronic engine control, On-Board Computer, Tachometer, Hours Counter, Depth Sounder (1kw), GPS (Garmin), Joystick (+ remoto), Consumption monitor, Autopilot (Garmin), Control panel, Radar (Garmin), VHF Radio (GHS 01), Co-pilot seat.
