FUEL TANK CAPACITY (L) 6000	CABINS 4	BATHROOMS 1	HORSE POWER 2 X 730 HP

Description

MILU' is an unconventional shuttle that follows the Arcadia language: natural light and direct relationship with the sea. This 2019 Arcadia 85 is designed to experience the Mediterranean with a different approach than the classic motoryacht: less ostentation, more space, more light and efficient navigation. The model stands out for its loft-style layout, with very open rooms and large glass surfaces and great continuity between indoors and outdoors. The semi-displacement philosophy, oriented towards comfort, autonomy and low consumption, has a distinctive and immediately recognizable design, thanks to the genius of its designer, the architect Francesco Guida. The aft cockpit and lounge areas represent the convivial heart of the boat and the stern is organized as a real terrace overlooking the sea, with sofas, sundecks, dining area and immediate access to the bathing platform. Not to mention the interiors, all to be discovered and loved without reservation. We look forward to seeing you on board to discover the uniqueness of this yacht together.

Navigation equipment:

AIS, Rudder angle indicator, Radar Antenna, Compass (Airmar), Electronic engine control, 2 On-Board Computer (Man), Tachometer, Odometer (Raymarine), Display, Depth Sounder (Raymarine quantum 2), GPS (Raymarine RS I 50), Joystick (per elica di prua), Autopilot (Raymarine p70s - Evolution EVI and ACU), 2 Chartplotter (Raymarine), Control panel, Radar (Raymarine quantum 2), VHF Radio (Raymarine RAY90/9I), Co-pilot seat, Sonar (Raymarine CP I 00), GSM Phone (Fritz).
