Description

This 27m yacht is a superb modern classic with a gorgeous line. Build of rugged aluminum, huge attention has been paid to producing a light yacht with express sailing performance. Many years of sailing experience influenced the construction of this yacht. Her interior is ultra-modern and a pleasant contrast to her classic hull line.

Built in 2008, refitted in 2017, and in 2020, she had the same owner from design idea to sailing to the other side of the world in 2022. Taking very well care of by experienced crew. She's been enjoyed for family holidays, entertaining with friends, as well as being chartered in the Mediterranean and Caribbean. For the last 18 months, her owner is fulfilling his lifelong dream to explore French Polynesia before looking for a new owner.

Vintage I can accommodate 6 guests in a master and 2 guest cabins with ensuite bathrooms. She has a great deck area which is classic in design yet functional for guests to enjoy days in the sun and evenings under the stars. There is a dining table on deck for alfresco dining under a bimini shade.
