Description

SESSA C48 – 2013 | Metallic Paint

The Sessa Marine C48 stands out as one of the most elegant and dynamic sports coupés in its class. This 2013 example is presented with an exceptionally comprehensive list of equipment and options, reflecting the meticulous care of its owner while offering the ideal configuration for fast, comfortable cruising.

Powered by twin Volvo Penta D6–435 IPS 600 engines, the yacht delivers impressive performance and effortless handling. Combined with a Side Power bow thruster and autopilot, this setup ensures precise maneuverability both underway and in the marina.

The C48's unmistakable DNA is defined by its sleek, sporty profile, spacious teak cockpit, and generous swim platform. A telescopic cockpit dining table, Besenzone hydraulic passerelle, and hydraulic swim platform with roller cradle (450 kg capacity) provide effortless tender launching and exceptional practicality. The cockpit camper canvas, bow speakers, and bow shower enhance comfort both forward and aft, while the LED ambient lighting creates an inviting atmosphere whether at anchor or cruising.

The specification is particularly impressive and includes a Raymarine chartplotter with upgraded GPS and depth sounder, Raymarine VHF, Volvo IPS interface, radar, stern camera, 20,000 BTU air conditioning, four-burner ceramic cooktop, Isotherm cockpit ice maker, 27" Samsung LED TV with DVD/Blu-ray player, and an Onan 9.5 kW generator, ensuring an outstanding level of comfort and autonomy on board.

The yacht is offered with its Williams Jet tender, perfectly matched to the hydraulic swim platform. In addition, a berth in Cap d'Ail is available by separate negotiation, providing the new owner with an immediate mooring solution on the French Riviera.

Rarely available in this high-specification configuration with such an extensive options list, this Sessa C48 represents an outstanding opportunity for buyers seeking a premium sports coupé that combines Italian design, performance, and luxury. Available for viewings and further information.
