Description

Invictus GT370 – Exceptionally Well Equipped – First Owner – Winter Stored Indoors

This stunning 2024 Invictus GT370 combines Italian elegance, exceptional craftsmanship and outstanding performance. Designed by renowned yacht designer Christian Grande, the GT370 offers timeless styling, luxurious comfort and exhilarating handling, making her equally suited for relaxing day cruises and extended weekends on the water.

Powered by twin Volvo Penta D4-320 DPI diesel engines with Joystick Docking, she delivers smooth, effortless manoeuvring together with impressive performance and cruising efficiency.

This particular yacht has been owned by her first and only owner since new and has been meticulously maintained. During every winter season she has been stored indoors, ensuring that both the hull and upholstery remain in excellent condition.

She benefits from an exceptionally high factory specification, including a metallic Vanille Sea hull, hydraulic bathing platform, electrically folding bimini, Fisher Panda generator, Victron Quattro inverter system, Fusion Premium audio system with 16 speakers, RGB underwater lighting, Volvo Penta Joystick Docking, and twin Garmin 12-inch Glass Bridge multifunction displays.

The luxurious interior offers accommodation for four guests in a forward owner's cabin and a private aft cabin with closing door. Premium materials, elegant finishes and numerous practical features create a refined atmosphere both above and below deck.

Whether you are looking for a stylish day cruiser or a luxurious weekend yacht, this Invictus GT370 represents an exceptional opportunity to acquire a beautifully specified example that is ready for immediate enjoyment.

Early viewing is highly recommended.
