HORSE POWER

2 X 435 HP

Description

One of the historic and most successful models of the well-known Italian shipyard. Robust flybridge with excellent seaworthiness. Below deck it offers three double cabins with bathrooms. Powered by 2x435 HP Caterpillar shaft lines landed in 2024 and brought to zero hours with replacement of all components and silent blocks. The hours of motion before the landing were about 800, now they are 80. Completely refitted in 2024: new linen/cotton curtains, elongated fly seat with steel tubulars, new mattresses in the cabins, new pistons, new engine exhausts, new LED lights, new electrical system, sky wardrobe interior, generator, stern thruster. Works March/April 2025): replacement of all ceilings and white interior upholstery, oversized stern platform, creation of the aft entrance door, complete overhaul of the gangway. (Spent about Euro 20,000.00). Possibility of exchange.

PROVISIONAL SHEET BEING UPDATED
