Description

The Maxim is an ideal open for fast and comfortable cruises. The concept bears the signature of the well-known Nuvolari & Lenard studio, which has designed a hull with sleek and aggressive lines with elegant and refined interiors. The profile appears gritty to emphasize the high performance that this yacht is able to achieve.

The hull is reliable and robust while the cockpit has been designed to offer its guests moments of relaxation and social life en plein air.

This boat is in good overall condition following a recent refit.

The engines have been overhauled and brought back to 0 hours.
