Description

The Jeanneau Sun Kiss 45, in the sought-after extended mast and boom version, was built in 1984 by Jeanneau from the designs of renowned naval architect Philippe Briand.

This owner-version yacht underwent a comprehensive refit in 2025 before successfully completing a transatlantic passage from Corsica to the Caribbean, demonstrating her reliability and exceptional preparation for blue water cruising.

French Flag – European VAT Paid – Available for viewing in Martinique.
