ENGINE MANUFACTURER Yanmar 4JH3-HTE	ENGINE HOURS 2800	HORSE POWER 1 X 100 HP	

Description

In production from 1998 to 2005, this ketch designed by Henri Amel and Jacques Carteau. This AMEL among the latest products was built in 2002 and launched in 2003 and is the nr. 399, bears the name of "JEANNE LA CORSAIRE"

It is an extremely comfortable boat and finished inside, a 16-meter with which you can have no limits on the distances to be covered. The L-shaped keel with a draft of more than 2 meters guarantees good sailing qualities.

Don't miss out on this amazing opportunity to own an iconic and well-maintained vessel. Contact us for more details and to arrange a visit. - A large number of spare parts are also available

EXCELLENT GENERAL CONDITION

AVAILABLE FROM THE END OF THE SEASON

Key features:

- Solid construction: Hull, keel and finner made of hand-laminated fiberglass.
- Spacious deck: Central cockpit with covered helm space, folding top.
- Comfortable interior: 2 double cabins, 2 independent bathrooms + 1 single berth in dinette - fully equipped U-shaped galley, separate air conditioning for each area.
