Description

Axopar 24 T-Top with Mercury Verado 250 hp – Versatile day cruiser with high-quality equipment

The Axopar 24 T-Top combines sporty riding characteristics, modern Scandinavian design and exceptional versatility.

With her powerful Mercury Verado 250 hp V8 outboard, she offers excellent driving performance, high comfort and a safe ride in all conditions.

The spacious T-top reliably protects drivers and guests from sun and weather, while the well thought-out deck design creates plenty of freedom of movement and numerous seating and lounge areas.

The comfortable bow area with L-shaped sofa, the daybed in front of the helm station and the spacious bathing platforms make this boat the ideal companion for day trips, water sports and relaxing hours on the water.

This Axopar 24 T-Top has a wide range of optional equipment, including bow thruster, Garmin 12" chartplotter with depth sounder, Garmin Radar Fantom 18, premium package with Silvertex padding, cooling drawer, fresh water system with outdoor shower, full entertainment system with audio upgrade, and canopy for the T-Top. For water sports enthusiasts, a water ski pole and other practical equipment details are available.
