Description

This Wellcraft 360 represents a very successful balance between fishing use and on-board comfort, maintaining a strongly Fisher soul thanks to the well-organized outdoor spaces and the equipment dedicated to fishing.

The boat is appreciated for the solidity of the hull and for the good performance in navigation, even if it is with rough sea. This model of our customer stands out for its recent updates and documented maintenance, and for the many investments in fishing gear made by the elements that make it ready to use both for day trips and for longer cruises long. An interesting solution for those looking for a versatile, reliable boat with a Configuration already complete.
