Description

SOLARIS POWER 48 OPEN 2021 — €800,000 VAT PAID — LYING BEAULIEU-SUR-MER

Rarely available on the brokerage market, this 2021 Solaris Power 48 Open represents the Italian yard at its most refined in the luxury day boat segment. Her metallic blue hull, penned by Norberto Ferretti and Brunello Acampora, shows just 280 engine hours and has been professionally maintained since launch, presenting in immaculate condition throughout.

Twin Volvo IPS 800 engines delivering 600hp each push her to 36 knots flat out and a comfortable 26-knot cruise. IPS dynamic positioning and automatic trim make close-quarters handling effortless, even single-handed in the tightest Riviera harbours. A Kohler 7kW generator and Idromar 130L watermaker provide complete independence at anchor, from Cap Ferrat to the Corsican coastline.

Her fully teak-laid deck extends with hydraulic side balconies into a genuine terrace on the sea. A versatile cockpit with 90L refrigerator and Besenzone telescopic passerelle serve effortless entertaining, while below, the air-conditioned owner's cabin in bleached oak, lower deck saloon and leather-and-steel detailing reflect a build quality usually reserved for far larger yachts. Full Garmin electronics with AIS 800, FUSION Bluetooth audio and a 32" Samsung TV complete the package.

Available immediately and lying Beaulieu-sur-Mer, minutes from Monaco.
